

Sandal Cove Condos

Safety Harbor, FL

What's Happening at Sandal Cove?

The board of directors at Sandal Cove strives to keep the community nice for everyone. Following is a list of their recent accomplishments:

- The trees on the property near the wall and a portion of the upper wall were removed.
- Progress is being made on getting the wall repaired that fell just before Christmas.
- Many electrical repairs have been made throughout the property.
- Have contracted with our landscaper to fix various drainage issues on property.
- More improvements will be made in the future once Sandal Cove's reserves have been restored. The board appreciates your patience during this ongoing process.

Reminders

- Please remember pets are required to be on a leash at all times while on the community and you must pick up after your pet.
- Please do not bring your pets to the pool area.

Do you have a concern?

Please contact Jenny Kidd at jkidd@ameritechmail.com or 727-726-8000 extension 247.

Upcoming Cable contract

Based on feedback from owners regarding their desire for a cable provider change, the board recently signed a new contract with Spectrum. You will now have not only an extended amount of cable channels, but internet will be included as well.

The new service is scheduled to start March 1st. We will be sending more information closer to the date.
